1.7 School Cleaning Routine

In conjunction with The Keep Singapore Clean Movement in Schools launched by Minister for Education (Schools) Mr Ng Chee Meng, JVS started to engage our students in daily cleaning activities at the start of Term 2. Besides ensuring that classrooms are ready for use before the start of every lesson, our Secondary Two students were also engaged in the routinised cleaning of common areas during the last ten minutes during their recess time in Term 2. The common areas include the canteen and areas around the canteen, such as the foyers, sitting areas and corridors. We will extend this routinised cleaning to the rest of the levels in Term 3.

The aims of the School Cleaning Routine movement are to cultivate good habits for life and positive social values and norms on cleanliness. It helps build character and cultivate a sense of ownership.

- For a sense of responsibility and teamwork through their chores
 - Learn and work with their classmates
- Encourage greater consideration and compassion among students
 - Foster shared ownership and responsibility
- Effectively maintaining a healthy classroom and school environment are important to the health and well-being of everyone (clean & clutter free).

4 GENERAL INFORMATION

Resources for Parents

As the school continue to work with parent/guardian to guide and support your child/ward in their development, we would also like to take this opportunity to share some information through the school website (<http://jurongvillesec.moe.edu.sg/>) and MOE schoolbag link (<https://www.schoolbag.sg>). Two articles which may be of interest to you are as follow.

Article #1: Giving our children S.P.A.C.E. to build resilience

This handout provides a summary of the ways (Support, Problem solve, Affirm, Cheer, Empower) to help develop the child to be resilient individuals.

Article #2: Guiding our child to be responsible digital learners

This handout provides some tips in guiding the child/ward to be responsible digital learners as well as provide information for awareness of parent/guardian on some of the online games and media that is trending. Online games and media with dark themes or suicide are of concern and MOE has posted an article on 4 May to provide guidance for parents to support discussions and conversations with the child on these matters. (MOE schoolbag link: <https://www.schoolbag.sg/story/suicide-games-and-online-media-what-should-parents-do>).

As some parents/guardians may not be aware of the popularity of some of these show or game, the school would like to share the above information and resources with you to discuss this with your child/ward should they have watched it or shows of similar themes.

We also appeal to parents/guardian to be vigilant in the computer gaming and use of internet of your child/ward during the holidays.

Please do not hesitate to contact us if you need clarifications. Further information would be available at our website <http://www.jurongvillesec.moe.edu.sg>.

We look forward to developing effective partnership with you in ensuring quality education for your child. Thank you.

Yours sincerely,

Mdm Flora Ong
Principal
