

JURONGVILLE SECONDARY SCHOOL

29 November 2023

Dear Parents and Guardians

Launch of “Growing Together, 30 For 30” – Fundraising for the Garden City Fund

1. As part of our 30th Anniversary Celebrations, we are proud to partner with the National Parks Board (NParks) to raise funds for the Garden City Fund to realise the vision of Singapore being a City in Nature.
2. We decided to partner NParks in this endeavour as their mission and vision are aligned to that of the school and our theme for our 30th anniversary celebrations – Beyond Self, Beyond School. This would be an apt opportunity for our students and our school community to make a lasting difference not just for the school, but also for the community.
3. We aim to raise SGD15,000 for the Garden City Fund. In addition to these funds going towards research and supporting conservation, the school will also plant 30 trees within the Jurong Precinct, each tree marking a year since the school's founding. These trees will also be a lasting reminder to present and future students of their school's heritage and that they have a responsibility to contribute back to their community.
4. 100% of the funds raised will go towards the Garden City Fund. Donations must be made only through the Giving.sg platform. The school will not be soliciting for donations via other channels. We will also **not** be accepting donations through cheques or by cash at our General Office.
5. As all donations to the fund are tax deductible, I'd encourage you to make your donations by 31st December 2023.
6. For donations and information about our fund raising effort, please visit <https://www.giving.sg/donate/campaign/campaigns-jvsgrowingtogether>
7. Thank you.

Yours Sincerely,

Philibert Leow
Principal
